

Suggested Course Sequencing for IB Diploma Candidacy

The pathway below represents one possible combination of courses that will allow your child to engage in Millbrook's IB Diploma Programme. There are various possible options that include different courses and different levels chosen for certain courses. Your child's specific pathway will be determined by various factors, including math level, language enrollment, and elective interests. Please note that the pathway below only identifies the pathways for required IB courses. It does not include other NC graduation requirements or Millbrook elective opportunities.

IB Subject Group/MHS Selection	9 th Grade	10 th Grade	11 th Grade	12 th Grade
